

TWO NEW ROSES BY MARSH'S NURSERY

To be introduced to the general public in 1960 and 1961.

We have a limited number of these available now --
one to a customer of each variety.

GISS OF FIRE - A real sparkling Hybrid Tea Rose to be introduced in January 1960. Medium size, long slender buds of ~~coffee-~~ yellow texture. As the buds open the edges of each petal turns to red and as petal after petal unfolds to the sun the color changes entirely to a sparkling ~~coffee-~~ red. Ever-blooming and a strong growing bush up to 4-5ft tall with nice foliage.....each 3.50

DEBBIE LEE MARSH - A loveable real pink satiny color Floribunda Rose to be introduced in January 1961. It is difficult to describe the real shade of pink in this rose.... a Floribunda that you will enjoy and yet when the flowers are fully open you will see all the hues of Sunset colors. Small blooms but extremely large clusters on each stem at all times. Strong grower, healthy plants 3-4ft tall....ea 3.00
